Experience at Designer Brands Inc.

UX Design Manager

Feb 2026 – Current

- Managing a team of two designers, supporting career development, execution quality, and cross-functional collaboration.

Senior UX Designer

Feb 2025 – Feb 2026

- Crafted a new loyalty program for DSW to drive retention, alleviate user friction, and test gamification.
- Facilitated industry patterning meetings to improve cross-team collaboration and stay ahead of trends.
- Partnered with Product Managers to participate in roadmap and a/b testing prioritization.
- Championed UX Team adoption of new animation tool and templated user reports.

Mid-level UX Designer

June 2022 – Feb 2025

- Proposed gated wishlists which drove +76% wishlist addition and +6.6% loyalty registration (\$3M impact).
- Became subject matter expert for CMS widgets; balancing feature requests, development complexity, and UX best practices.
- Led UX Book Club and acted as liaison between Digital Team & Soles4Souls, a philanthropic partnership.

Associate UX Designer

March 2021 – June 2022

- Boosted conversion +3.3% (\$23M impact) with product tile enhancements that improved scannability.
- Influenced leadership to prioritize video content capabilities for roadmap upon gaining cross-team alignment.
- Translated user research takeaways into opportunities for omni-channel experience improvements.
- Mentored the UX Design Intern.
